Overview

Renovating our **PERCEPTION**

Achieving our **POTENTIAL**

Shaping our **FUTURE**

Reaching our **SUCCESS**

Established in 1995, Huynh Duc is proud to be one of the trustworthy suppliers for many national and international businesses.

After 25 years of continuous development, we are currently providing products and services for the supporting industry in Vietnam, as well as other developed countries like Australia, Japan and America.

Besides locating our manufacturing factories in different integral industrial zones like Dong Nai or Da Nang, Huynh Duc constantly seeks to enhance our administrative systems, train our professional workforce, improve the working facilities, and invest in modern machines to satisfy the diverse needs of the supporting industry in the future.

Achievements

>100

Total number of
FDI businesses

35.000m²

Total area of
factories

350

Highly skilled engineers
and staff members

150

Processing CNC
machines

2

Factories are located in key
industrial zones, such as
Dong Nai and Da Nang

100%

Machines and equipment
are imported from Korea,
Europe and Japan

VISION

Huynh Duc aims to become one of the leading businesses in providing products and services for the supporting industry in Viet Nam.

MISSION

TO OUR CLIENTS: Huynh Duc constantly tries to enhance our administrative systems, train our professional workforce, improve our working facilities and invest in modern machines, to offer high-quality products at a competitive price.

TO OUR EMPLOYEES: Huynh Duc constantly improves our working environment and the salary system, to create various sustainable values for our staff members.

Production Factories

DONG NAI FACTORY: Total capacity of 5000m², lying on the main route (500m away from 1K highway), near Bien Hoa 1 Industrial Zone, Bien Hoa 2 Industrial Zone, Song Than Industrial Zone, VSIP I, VSIP II, Saigon Hi-Tech Park.

DA NANG FACTORY: Total capacity of 9000m², located in the Expanded Hoa Khanh Industrial Park, Da Nang - one of the biggest industrial parks in Central Viet Nam.

industry**

HUYNH DUC

WITH 25 YEARS OF EXPERIENCE, Huynh Duc prioritizes the philosophy of 'renovating our perception, achieving our potential, shaping our future, reaching our success'. As a result, Huynh Duc has gradually claimed our position within the Viet Nam's supporting industry, as well as gaining trust from various national and international businesses. Currently, Huynh Duc is focusing on 4 major fields:

1. Producing and manufacturing equipment to assist production
2. Exact mechanics
3. Producing and assembling automatic machines
4. Designing, manufacturing machines and molds

Production Capacity

MACHINES - TECHNOLOGY

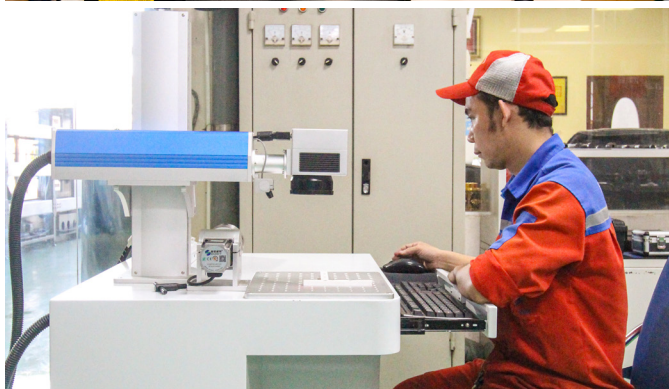

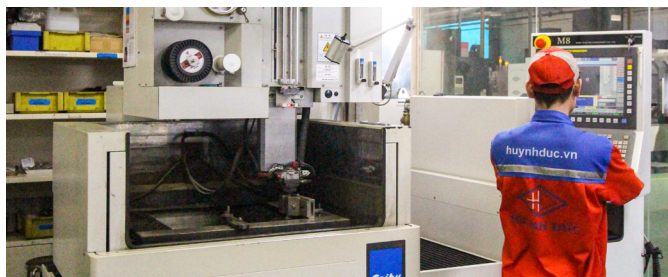

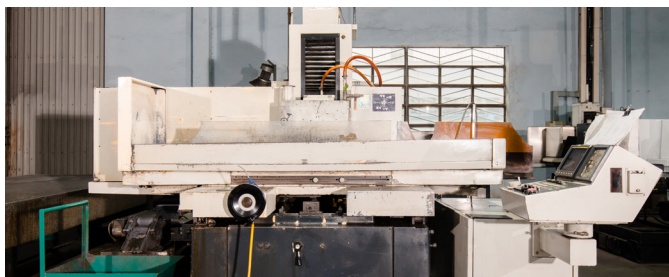

In order to provide a variety of products with high levels of accuracy, Huynh Duc has been investing in many cutting-edge machines and technology from many reputable brands like MAKINO, HWA-CHEON, TRUMPF, AMADA... Furthermore, all machines at Huynh Duc are 100% imported from Korea, Japan and other countries in Europe.

At the moment, Huynh Duc is owning:

- CNC Machines: > 90
- Laser Cutting Machines: 05
- Milling and Lathe Machines: > 30
- Metal Bending Machines: 06
- Shearing Machines: 04
- 3D Measuring Machines: 03
- Fast Wire Cutting Machines: 06
- Electrical Discharge Machines: 02
- Along with other professional tools...

Production Capacity

PRODUCTION EXPANSION

With the plan to officially open the new 21.000m² production facility at the AMATA Industrial Zone in 2023, Huynh Duc wishes to become one of the credible suppliers for several international businesses in the future. This factory will be positioned at AMATA Industrial Zone, Dong Nai - a vital 'knot' of the industrial economy in Southern Viet Nam.

In addition, by implementing the ERP system in management, the workflow of Huynh Duc has been majorly optimized. Due to this investment, our production activities have also been managed efficiently and accurately. Thanks to ERP, Huynh Duc is gradually improving our production time, so that qualified products can be delivered to our customers as soon as possible.

Clients - Customers

After a continuous process of development, currently, our customer system has recorded a total number of over 100 FDI businesses.

Within these FDI businesses, **HUYNH DUC IS PROUD TO BE ONE OF THE RELIABLE SUPPLIERS** for companies like:

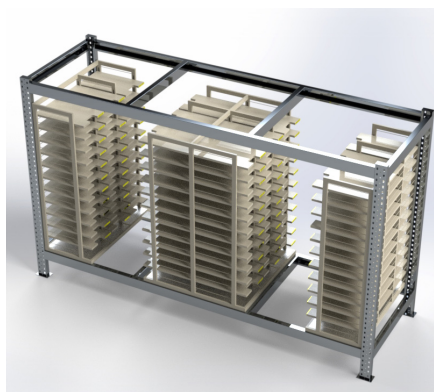

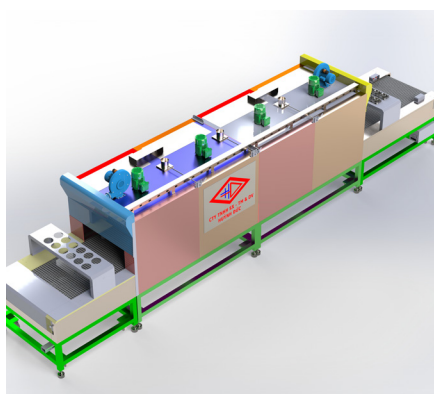

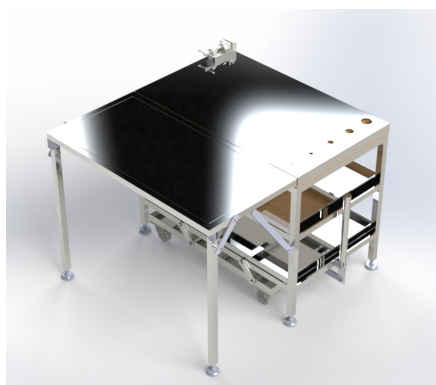

ON Semiconductor®
